

# Sowing Seeds of Truth

- ◆ Put a gold star in the square (or draw a gold seed) whenever you read (or hear) the Lord's WORD.
- ◆ As you read (or listen to) the Word, pay attention to what the Lord is telling you. He wants us to "Listen!"
- ◆ If you **think** of a way to apply the Lord's words in your life, add a flower sticker to the square (or draw a flower there). When you **do** it, add a fruit sticker (or draw a fruit there). You are planting the seed of truth in good ground! Hurray!
