

# Thankfulness for Home and Family

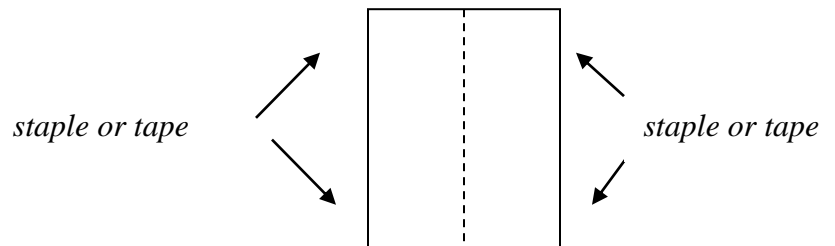

This is a lovely project to help us focus on special blessings the Lord gives us—our families, homes, and the WORD!

## ***Materials Needed:***

scissors  
colored pencils, markers, or watercolor paints  
tape or stapler

## ***Procedure:***

1. Color the picture of a home.
2. Cut along the dotted lines continuing through the doorway (between the two doors) so that the picture is in 2 pieces.
3. Color the picture of the Lord's Word.
4. The picture of the home goes in front of the picture of the Word, so that you can open the door and see the Word inside the home. Tape or staple the picture of the home along the outside edges as shown in the diagram:
