

Oak Arbor New Church Sunday School – Lessons for Intermediate Level

Lesson 42: EASTER LESSON

Luke 23: 33 – Luke 24:53

PREPARATION:

Make copies of several coloring pages illustrating different aspects of the Easter story. (Make enough copies to have one picture for each student and a few extras.)

Select portions of the Easter story from all four gospels, so you can read aloud to the students as they color the pictures.

READING: Read aloud to them as they color (see PROJECT). If any are inspired to color more than one picture, allow them to do as much as there is time for.

PROJECT:

Have the students each pick a picture to color. Tell them you'll be making an Easter collage, and to do their very best coloring.

At the end, trim the pictures down and arrange them on the poster board, gluing them down. Write **The Easter Story** somewhere on the poster, and display it at the church.
