

The Lord Loves Everyone Collage

Here is a fun way to illustrate the truth that the Lord loves everyone!

Directions:

1. Look in magazines for pictures of people from all over the world.
2. Arrange the pictures and glue onto paper to make a collage representing those whom the Lord loves.
3. Leave room at the top of the page for this caption: **The Lord Loves Everyone**

Optional:

You may wish to add a picture of the Lord at the top of the page and/or draw pictures of angels and evil spirits to add to the collage.
