

Instructions:

1. Print both pages and photocopy onto cardstock (OR reinforce back of circle with construction paper, manila file folder, etc.).
2. Color and cut out wheel with pictures and story.
3. Color the lettering : "The Miracle of Easter" and cut along the dotted lines on this page to make the viewing window.
4. Fasten a brad through the center of both pieces so that the viewing window is on top of the circle of drawings and text.
5. The scenes begin where it says "Start Here". Rotate the wheel counter-clockwise to see the entire story.
