

The Two Tablets

Make two tablets about 2 inches by 4 inches from a modeling compound such as salt ceramic or Sculpey. (The salt ceramic will harden as it dries, and the Sculpey may be baked.) These can be glued to a cardboard background with the title “The Ten Commandments” written below.

Children may wish to make larger tablets and write (or press) the Hebrew letters for “Yehowah” on the 1st tablet and the Hebrew for “Your Neighbor”[ray’eh-ka] on the 2nd tablet to represent the focus of the commandments on the two tablets.

Recipe for Salt Ceramic

1 C. table salt
 1/2 C. cornstarch
 3/4 C. cold water

1. Stir constantly in double boiler over heat.
2. When very thick, turn out on foil.
3. When cool enough, knead like dough, then store in refrigerator wrapped tightly.
