Noah also sent out from himself a dove, to see if the waters had receded from the face of the ground.

But the dove found no resting place for the sole of her foot, and she returned into the ark to him, for the waters were on the face of the whole earth.

And he waited another seven days, and again he sent the dove out from the ark.

Then the dove came to him in the evening, and behold, a freshly plucked olive leaf was in her mouth; and Noah knew that the waters had receded from the earth.

So he waited yet another seven days and sent out the dove, which did not return to him anymore.
