

## THREE WAY COVENANT

It takes three to make a marriage. It takes a man and a woman coming before the Lord to promise that they will each love, honor, and cherish the other forever. But where would a married couple be without the Lord's help? He inspires the love of marriage. He blesses a marriage with happiness, if a husband and wife are doing their part. Remember that only angels live "happily ever after," and most people aren't angelic when they marry. They *need* the Lord's help to keep their marriage promises.
