

Thy Kingdom Come

In the New Testament, the Lord gives us a prayer that includes these words: “Thy kingdom come” (Matthew 6:10). These words are actually a prayer that truth may be received (see *AE* 48:3). Receiving truths from the Lord is an essential step in our preparation for heaven. And another important step is mentioned in the next phrase of the Lord’s Prayer: “Thy will be done.”

Reflect on steps that you can take to help the Lord give you the truths you need. This could be reading His Word, going to church, listening to sermons, *etc.* Would it help to keep a journal of passages in the Word that you want to remember?

Write about your desire for truth and the steps you want to take in the quest for truth.
