

Torch and Trumpet

Instruction:

Torch:

1. Cut out Torch along solid lines.
2. Fold along dashed line then unfold leaving a crease (this will help hold the cone in place while you tape it).
3. Roll into a cone and fasten with tape.
4. Stuff cellophane into cone.

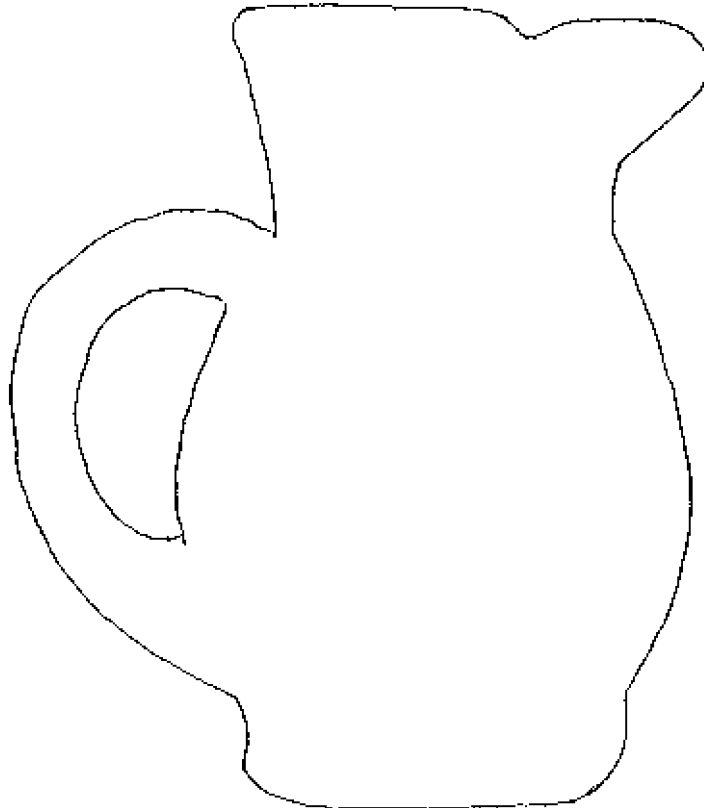

Trumpet:

1. Cut Trumpet Part 1 along straight line.
2. Roll the larger half into a tube starting with the edge you just cut. The tube should be approximately 1 1/4 inches in diameter.
3. Cut out Trumpet Part 2 (the circle).
4. Cut center lines.
5. Push Part 2 (circle) onto Part 1 (circle) and secure with tape.

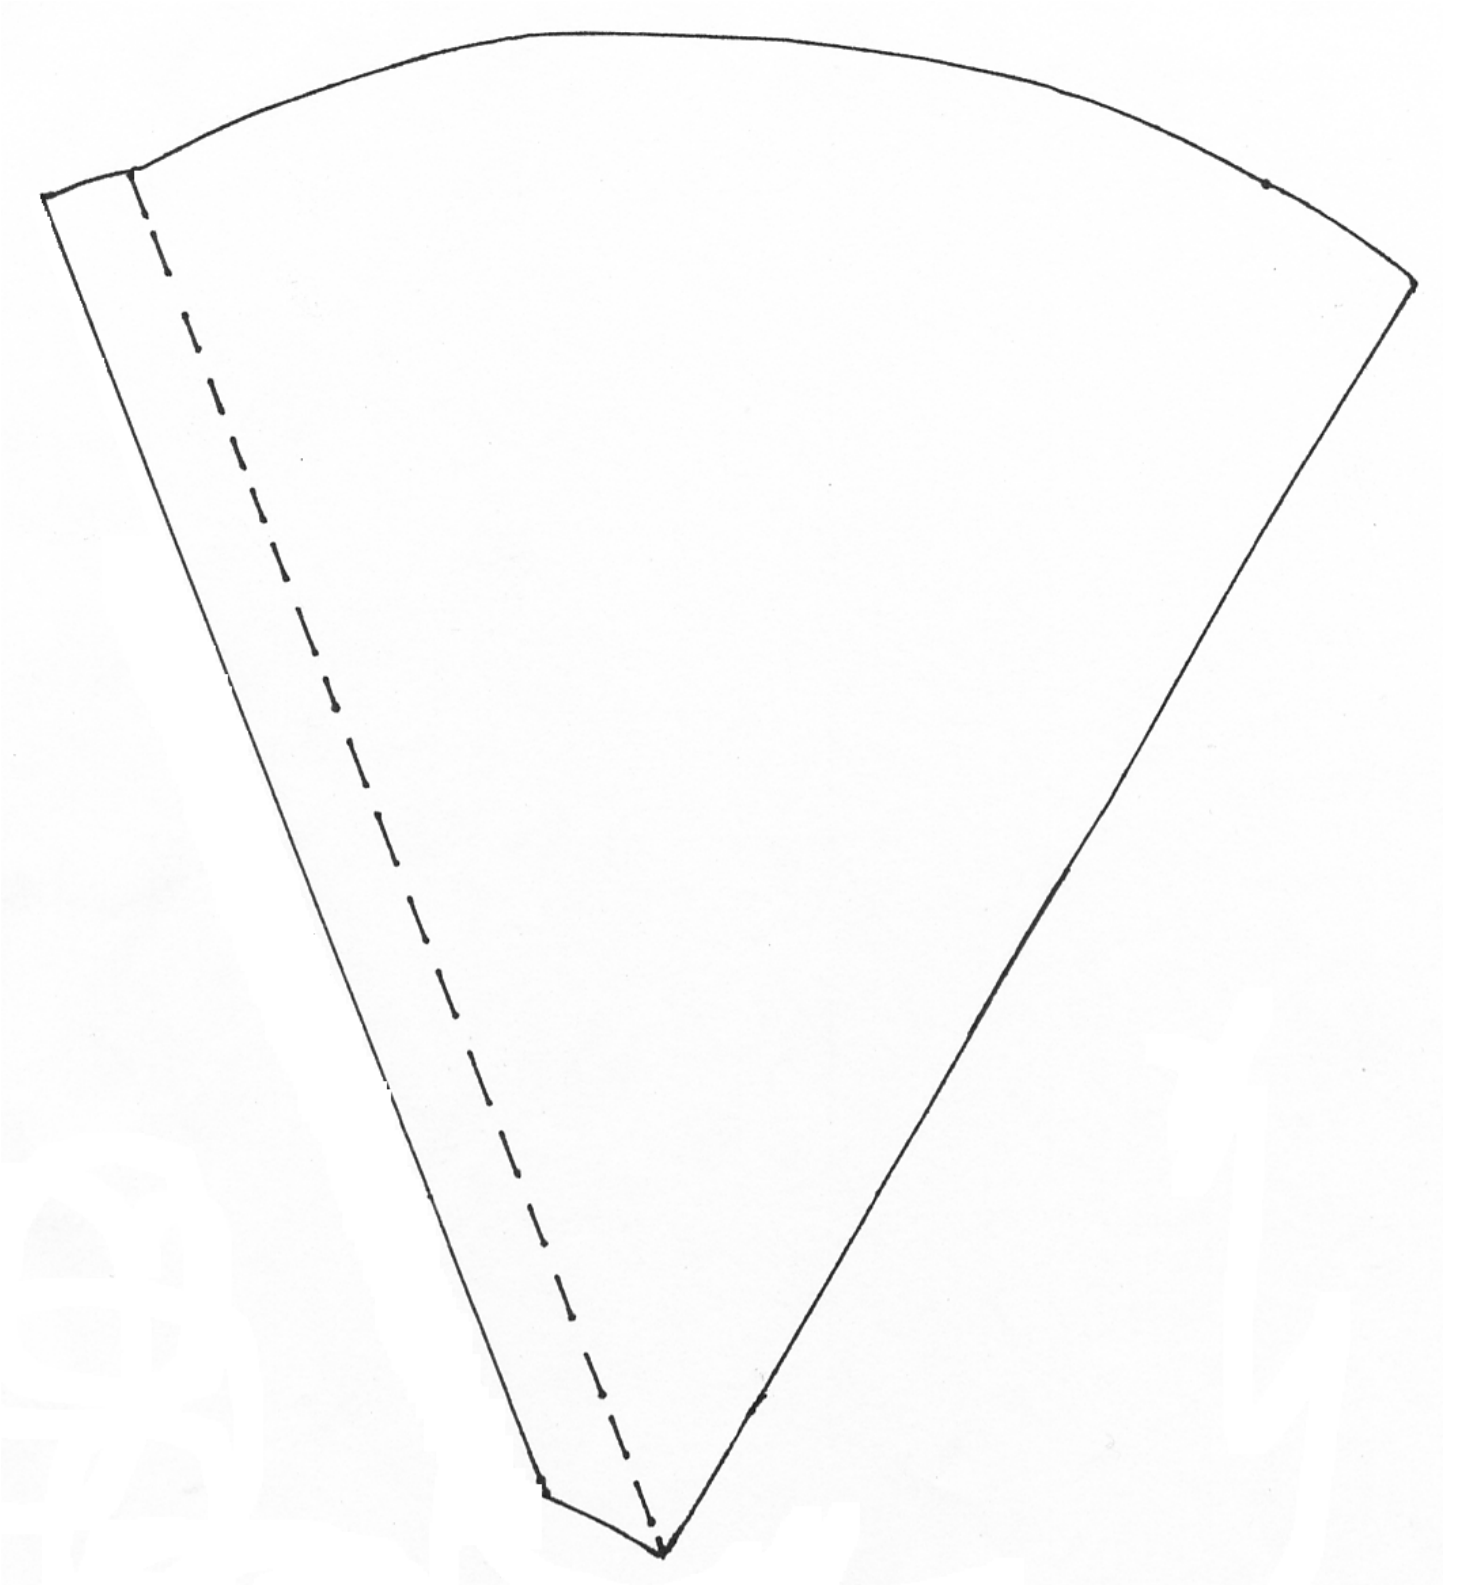

Pitcher:

1. Color and cut out.
2. Fasten onto a plastic cup so that it may be put over the torch.

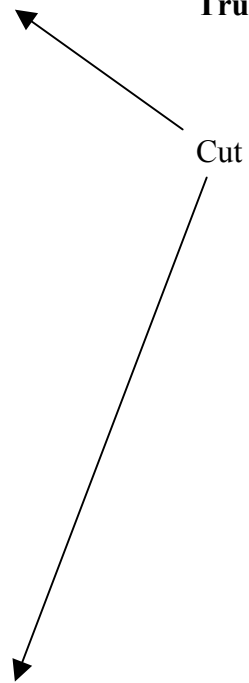

Now act out the story. (see Judges 7: 1-25)
