

The True Light, Giving Light to All

*In Him was life, and the life was the light of men....
That was the true Light which gives light to every man who comes into the world.
(John 1:4,9)*

A Picture of the Lord Giving Light to You

Make a picture of the Lord giving light from His Word. Below the Lord, make a picture of yourself or glue a photograph there. Let the rays of light reach from the Word down to you.

For this special project, you may wish to use gel pens, glitter, or metallic pens to make the rays of light.

Variation—Make a Mobile

Follow the same idea as above, except make a mobile with a picture of the Lord at the top and pictures of you and your family below.

You may want to use gold ribbon or yellow yarn to hang these pictures from the picture of the Lord and His Word—to give the idea of the light coming from Him.

Then hang a text slip with the quote at the bottom of the mobile.
