

The Vision of Isaiah Project

This project was originally designed for tabloid pages (11" x 17") so you may wish to use a photocopier to enlarge them.

Print or photocopy the two pages back to back so that the words "Here I Am Send Me" are behind (the back side of) the title: "The Vision of Isaiah." The fold lines on the front and back of the page should line up with each other.

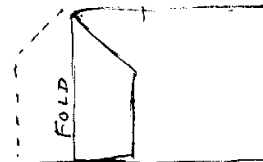

Cut along the semi-solid fold lines. -----

Follow the directions to the right, coloring the whole picture and folding as shown.
